

BOLD & EASY

Winter

A Cozy Coloring Book for Adults and Seniors

48 big, simple winter pictures

THE PAPER RIOT STORE

Come in out of the cold.

Pull up a chair. The cocoa's warm and nothing has to get done today.

Inside are 48 winter pictures. No holidays, no deadlines. Just the season.

The lines are thick and the spaces are big, so it's easy on the eyes and the hands. Color one page or ten. Make the barn purple. Nobody's grading.

Across from each picture is a Winter Chat question. Write an answer, talk it over, or skip it.

Stay warm, Kimberly
